

Telescopic High Voltage Discharge Rod 10 kV – 220 kV

Category: Grounding & Earthing Equipment Product code: discharge-rod-telescopic

Telescopic high-voltage discharge rod for earthing and residual-charge discharge on de-energised circuits. Epoxy fiberglass pole, resistive discharge element and copper earth cable, supplied in 10 kV, 35 kV, 50 kV, 110 kV and 220 kV versions.

SPECIFICATIONS

Product Name	High Voltage Discharge Rod
Voltage Range	10 kV / 35 kV / 50 kV / 110 kV / 220 kV
Rod Material	Epoxy fiberglass
Discharge Type	Resistive and non-resistive
Rod Structure	Telescopic
Earth Wire	Copper cable
Colour	Red (customisable)
MOQ	1 piece

STANDARDS & CERTIFICATIONS

ISO 9001

PACKAGING & DELIVERY

MOQ	1 piece
Packaging	Sales unit: single item; Package size: 110 x 15 x 15 cm; Gross weight: 1.5 kg
Lead time	7-30 days, depending on order quantity
Port of loading	Tianjin
