

3 m FRP Insulated Folding Step Ladder (A-Frame)

Category: Insulating Tools, Ladders & Detectors Product code: ladder-frp-folding-step-3m

Non-conductive FRP A-frame step ladder with a 3 m maximum height and a folding structure for transport. Rated 10 kV for electrical maintenance work.

SPECIFICATIONS

Product Name	3 m Fiberglass Insulated Step Ladder
Ladder Type	A-Frame Step Ladder
Material	FRP / Fiberglass
Insulation	Non-Conductive FRP
Maximum Height	3 m (customizable)
Structure	Folding / Adjustable
Rated Voltage	10 kV
Colour	Yellow
IP Level	IP34
Application	Industrial, Outdoor, Indoor
Brand Name	YJH POWER
Place of Origin	Hebei, China
