

27.5 kV Portable Railway Catenary Grounding Set with Operating Rod

Category: Grounding, Earthing & Lightning Protection

Product code: portable-grounding-set-27-5kv-railway

Portable 27.5 kV grounding set for railway high-voltage catenary work: three-section epoxy resin operating rod, high-purity bare copper conductor and a gooseneck hook that clamps onto the contact wire.

SPECIFICATIONS

Product Name	27.5 kV Portable Railway Catenary Grounding Set
Standard	IEC 61230
Model Number	JDX-YDGS
Voltage Class	27.5 kV
Application	Railway high-voltage catenary overhead line grounding
Conductor	High-purity bare copper, 25 mm ²
Earth Cable Length	8 m / 12 m / 15 m
Operating Rod	Epoxy resin, three-section screw assembly
Operating Rod Length	5.5 m / 6 m / 7.2 m
Clamp Type	Gooseneck grounding hook + galvanised rail clamp
Handle	PVC
Colour	Red / yellow / green
Brand Name	YJH POWER
Place of Origin	Hebei, China

STANDARDS & CERTIFICATIONS

IEC 61230
