

Double-Head Waterproof Solar PV Extension Cable 1000 V / 1500 V (4 / 6 mm²)

Category: Electrical Accessories, Cables & Signage
Product code: solar-pv-extension-cable-double-head

IP67 double-head solar extension cable with pre-fitted connectors at both ends, tinned copper conductor and XLPO insulation, rated 1000 V / 1500 V DC for PV array wiring.

SPECIFICATIONS

Product Name	Double-Head Solar PV Extension Cable
Configuration	Connector fitted at both ends
Rated Voltage	1000 V / 1500 V DC
Cross Section	4 mm², 6 mm²
Conductor	Tinned copper
Insulation Material	XLPO
Jacket	XLPE
Colour	Red and black
IP Rating	IP67
Lengths	1 m and above (matched red and black pairs)
Feature	Waterproof, weather resistant
Certificates	CE / RoHS
Application	Photovoltaic power, solar energy systems
Brand Name	YJH POWER
Place of Origin	Hebei, China

STANDARDS & CERTIFICATIONS

- CE
- RoHS
