

Low-Voltage Zinc Oxide Surge Arrester HY 15W-05/26

Category: Grounding, Earthing & Lightning Protection

Product code: surge-arrester-hy-15w-05-26-low-voltage

Silicone-rubber housed low-voltage zinc oxide surge arrester for switchgear and transformer substations, protecting windings and control equipment against overvoltage surges.

SPECIFICATIONS

Product Type	Low-Voltage Zinc Oxide Surge Arrester
Model Number	HY 15W-05/26
Type	Overvoltage protection
Material	Silicone rubber, zinc oxide
Application	Switchgear, transformer substations
Alternative Type	HY15W-028-13
Brand Name	YJH POWER
Place of Origin	Hebei, China
